Guelph and Area Ontario Health Team
c/o Ross Kirkconnell, Executive Director
Guelph Family Health Team
55 Wyndham Street North, Suite 212
Guelph, ON
N1H 7T8

Dear Guelph and Area Ontario Health Team; c/o Mr. Kirkconnell:

Re: Letter of Support

The Waterloo Wellington Local Health Integration Network (WWLHIN) has worked hard to improve the quality and availability of local health care across Waterloo Region, Guelph and Wellington. Through the evolution and modernization of care across the province, we are excited that the Guelph Ontario Health Team planning and engagement process has progressed to a full application. We are encouraged that the partnerships that have been formed will further improve access to high quality care for residents.

We support the vision of the Guelph Ontario Health Team and look forward to continuing our important partnership in improving the health and wellbeing of all residents as a core member of the Guelph Ontario Health Team.

Sincerely,

Bruce Lauckner
Chief Executive Officer

cc Karyn Lumsden, Vice President, Home and Community Care, Waterloo Wellington LHIN
